

THE LIVING LUXE DESIGN SHOW PRESENTED BY JENNAIR BRINGS IN A NEW ERA OF CANADIAN LUXURY APRIL 19-21, 2024

In an inspiring fusion of design, fashion and luxury; this unique exhibition brings an unforgettable show to the Toronto Congress Centre, with over 60,000 square feet transformed into an immersive experience for thousands of visitors.

TORONTO, Dec. 12, 2023 - **The Living Luxe Design Show (LLDS)** is set to enhance Toronto's cultural landscape with its return in 2024, taking center stage in an unparalleled, grand-scale exhibition. The event will showcase innovations in interior design, architecture, fashion, real estate, and all things luxury while celebrating cutting-edge designs and the latest trends for homes. Scheduled to occur in Toronto from **April 19th to 21st, 2024**, LLDS is appropriately dubbed Canada's newest and most innovative show of its kind.

The 2024 show will be hosted at the expansive **Toronto Congress Centre**, spanning over **60,000 square feet** and promising an immersive experience for thousands of visitors. The exhibition will feature dynamic exhibits from top interior designers, innovative furniture, kitchen and appliance experts, as well as engaging talks by industry experts on the **JennAir Stage** - including internationally acclaimed and prolific designer **Karim Rashid**.

In addition to the immersive exhibits, LLDS will host philanthropic evening galas, such as the **City Couture Gala in Support of The Hospital for Sick Children (SickKids)**, along with other inspirational events, fashion shows, and more.

Jennifer Lipkowitz, the visionary **Publisher of Living Luxe Magazine**, and the driving force behind LLDS, expressed her vision: “Fashion and interior design have always been an inspiration. We wanted to create a show that brought together the most creative minds in the industry, incorporating interior design, architecture, fashion, innovation, and philanthropy all in one place.”

Presented by the luxury kitchen appliance brand, JennAir, LLDS spans over three extraordinary days.

“As a brand that is committed to pushing boundaries and redefining luxury, JennAir is thrilled to partner with Living Luxe as the presenting sponsor of their 2024 Design Show.”, said **Mareike Greve, Brand and Marketing Leader, Whirlpool Canada**. “At JennAir, we believe that better representation and diversity is essential to drive innovation in the design industry. We look forward to showcasing a range of styles and perspectives throughout the weekend and bring to life the work we do to build a stronger, more inclusive design community.”
